

# HTAV STUDENT LECTURES TERMS AND CONDITIONS

By registering to attend the HTAV Student Lectures, you agree to the following terms and conditions.

## 1. What are the HTAV Student Lectures?

The HTAV Student Lectures are offered to those studying or teaching VCE Units 3 and 4 in Australian History, Ancient History and Revolutions. Attendees will receive entry or digital access to the Student Lectures on the day/s registered and access to any handouts and presentation slides provided by presenters after the event.

## 2. Registrations

All attendees must register online via the HTAV website prior to the registration closing date.

Should you have any difficulty registering, please contact the HTAV office during standard business hours and a member of HTAV staff will assist you to register online. Depending on your needs, HTAV may ask you to complete a written registration form, one per attendee, to be returned to HTAV via email at [events@htav.asn.au](mailto:events@htav.asn.au).

Complete attendee details for **every** attendee must be provided, including the correct email address with no spelling errors. This is so that HTAV can email their final confirmation email and post-Lecture materials.

Once the registration has been completed and payment has been received, HTAV will send an email confirming registration. If you have not received email confirmation within seven (7) working days from submitting your registration, please contact the HTAV office during standard business hours.

During the week of the Student Lectures, HTAV will email final confirmation and Student Lecture information to all attendees to the email address provided at registration.

By registering to attend the HTAV Student Lectures, you agree to receive email communications from HTAV regarding your registration and the services provided on the day/s of the event.

HTAV acknowledges that providing personal information is an act of trust and takes this seriously. Through the registration process, HTAV will collect personal information, such as contact details, school attendance details, bank account and/or credit card details, payment history, event attendance history and/or sensitive information. We promise to only deal with or disclose your information in accordance with our privacy policy. For more information regarding HTAV's [Privacy Policy](#), please visit the HTAV website.

## 3. Pricing and Payment

All prices include GST and are subject to change without notice. Payment must be provided at registration to secure a place at the Student Lectures.

### 3.1 Payment options

HTAV provides two payment options: credit/debit card or purchase order number. All HTAV members have the option to pay by purchase order. To do so, HTAV members must log into the HTAV website using their unique login details prior to completing the registration and provide a purchase order number in the payment gateway. Should an HTAV member have any difficulties accessing the pay by purchase order option, please contact the HTAV office during standard business hours.

If paying by purchase order, fees are due 30 days from the date that appears on the invoice. HTAV will make a reasonable effort to contact those with outstanding payments. Further action may be taken if fees are not paid within a reasonable period, including cancelling of HTAV membership.

### 3.2 Discounts

HTAV aims to provide the best possible price for Student Lecture tickets. Though we are unable to offer discounts on individual tickets sold, HTAV offers teachers a complimentary ticket when they register a group of 10 or more students to attend. HTAV will provide details about how to access the complimentary ticket on the HTAV website.

### 3.3 Change-of-mind policy

Student Lecture tickets are non-refundable and non-transferable. In lieu of refund, HTAV provides access to handouts and supporting material provided by presenters. All ticket sales are final, so please be sure that you can attend prior to registering.

If non-attendance is due to unavoidable family or personal circumstances, including ill health supported by a doctor's certificate, the Events Manager may offer a refund at their discretion.

## 4. Location

HTAV will always attempt to provide HTAV Student Lectures at a location that is easily accessible to all when the lectures are held in-person. Attendees with special needs or mobility restrictions should contact the HTAV Events Manager **prior to the event** on 03 9417 3422 or [m.karantzas@htav.asn.au](mailto:m.karantzas@htav.asn.au).

HTAV may be required to change the location of the Student Lectures at short notice, including from a physical location to online. HTAV will inform attendees with as much notice as possible.
