HTAV 2023 ANNUAL CONFERENCE – History Now

- Reunited History teachers and built connections
- Delivered to over 364 attendees across two days
- Rich program of over 42 workshops and two keynotes across two days
- Thursday Keynote: **History Education for the Citizens of the Future**, Dr Carolyn Holbrook, Deakin University
- Friday Keynote: **The Power of Knowledge**, Ashley Keith Pratt, Melbourne Girls Grammar, and Reid Smith, La Trobe University
- The best thing about the conference:
 - There was such a broad range of expertise and topics on offer it was amazing.
 - The time to be the student, not the teacher.
 - The presenters were excellent and the overall mood and vibes are always very inclusive and kind.
 - I topped up my very empty well with fantastic, inspiring and collegial discussions.
